“ It has certainly been a priviledge to help take care of such a wonderful lady. I will always remember all of the Wednesdays we spent traveling to the stores to do our shopping. We had a lot of fun. I called her "Lucy May" and she called me "Flossy May". She will always be remembered in my heart and I will certainly miss her.

To you, her family -- you have done a wonderful job in taking care of her. Not everyone is blessed to have family that cares so much. I know you will miss her and may God bless each one of you.

Sincerely,

Gail Hall
