

Elton Keith Hackle

December 26, 1959 - July 26, 2023

Be your true self and everything else will fall into place, on July 26th 2023 Elton Keith Hackle a beloved father starts a New journey in heaven. He leaves behind his children Amanda and Kristofer Hackle-Kerr, Brandon and Rebecca Hackle; his mother, Yvonne shell and his brother, Danny Hackle, along with his five grandchildren he adored. He was a true Nascar fan and loves all things car related from Disney movies with the kids about cars to all the different car programs on Hulu. He loved to tinker and fix all kinds of things and love to pass that knowledge on about fixing things. He loved to be at lake Russell, it was his place of peace and even in the crazy moments in this wild world you taught us to be our true selves. You are forever by our side and always in our hearts.
