“ Ms. Emma Jean Lott and I began our relationship in 2011. As I knew of her but I didn't really know her personally. We began sharing time with one another at Greater Mission Outreach Ministries and the relationship began to blossom. As the days and months continued to pass she spoke these very special words. I hope you know that I have adopted you as well as your kids. I respectfully replied, I kinda figured that. As the years rolled by we shared much time together. So many special moments as she would sometimes share a portion of her heart with me. I recall one day as I visited with her while at her home about a year ago. She said, I can remember the first time you came to visit at my home. She took out her journal book and shared the exact day of this memory with me. As well as other moments. I thought to myself how special is that. So, Ms. Emma touched my heart in many ways over the years and I never took it for granted. She expressed to me on many occasions that I really appreciate you. I genuinely felt it come from her heart... Ms. Emma was a Woman of God serving in Ministry in the best way that she could. I will always be grateful for the time we shared. As I know God connected us in a season and time for purpose. I truly thank God for the time we were blessed to share. As I have many memories and I reflect over time I will truly miss her presence but she will always hold a special place in my Heart. I know God always knows best. I send my sincere condolences to the Family. Praying to God for the family to be strengthen and comforted during this most difficult time as I send my love. "Be blessed."
