“ My thoughts and prayers go out to Eric's family and friends. I was so shocked and sad to hear of his passing. I remember meeting Eric and his family when Scott played in H-F park district youth basketball with or against Eric. When we moved to Homewood, Scott's friendship continued in Jr. and Sr. High with another friend that fit, Bob ( the trio). I remember when Eric was trying to get internship with Levy at Wrigley,with persistent calls and letters. Boy, did that pay off for him. What a successful career he had with them. I met Tami when they came to Scott's wedding and when I attended their wedding. What a beautiful family. My prayers for the family to find strength in each other. God bless.

Sincerely,  
Peggy Jackson (Homewood, IL)

“ *Eric was a cherished colleague and friend to our company as we partnered in the US OPEN each year. The first thought that always comes to mind that Eric worked very hard at the OPEN but always left for a brief period to celebrate his child's birthday....a real testament to who this man was. He will be sorely missed but always remembered*

*Eric and his entire family will remain in our thoughts & prayers R.I.P.
