“ It was a great joy and privilege for me to partner in ministry with Esther for 8 years as pastor at Little River United Methodist Church, Little River SC. She gladly and skillfully accommodated all that was asked of her in her Music Ministry, while at the same time caring for her husband, Joe, and watching over her son, Barry. I marveled in particular at how carefully she selected her service music for funerals: in physician-like fashion, she would "diagnose" the family's need (acquaint herself with the particular context of the bereavement) and then offer her music as a "prescription" for them. My fondest hope at this point is that God has reserved her an organ in the heavenly places which will be hers alone, so that no one ever messes with the stops, etc., and no one ever treats it like it were some kind of coffee table! Thank you Esther!
