“ *Only heard on Tuesday night of your loss. You Dad was a very kind man and I am sure will be missed by many. He was a good friend to my Daddy. I will always remember the kind smiles your Dad and Mama always had on their faces. Memories of coming over for visits and our Dads tinkering on cars in the shop. My thoughts and prayers will be with you all in the upcoming days.*

“ To all the children, grandchildren and great grandchildren, my thoughts and prayers are with all of you during the loss of your father, grandfather and great grandfather. He was a great friend to our family, including my brothers. He did work on brothers vehicles. He had a special place in Chris heart also. So sorry to have missed seeing each of you and being a part of celebrating the life of Gene. But time to patch me up again. All I can add is that since this is the last of your roots, stay close with your siblings, and keep the family lights burning and the faith that they so instilled into each of you strong. If ever I am needed, please advise. Love you all. Loved him also cause he loved FORDS, and we were raised the same way.
