“ Gena called me to come to her pool to train her and Debbie in pool workouts. From the moment I walked into their house I felt like family. So warm and genuine. She was a beautiful lady .She loved her fur babies for sure ❤️

“ Gena was an amazing person, friend, and conversationalist. Ohh how she made us laugh! Remember the dinner she brought out wigs and we all sat there, laughing & talking for hours. Spending time with the both of you in Atlanta, at the lake, and on our trip together were some of the most enjoyable moments we’ve ever had. Debbie, you and Gena were such a part of our wedding that whenever we talk about our wedding we inevitably talk about our love for you both. Gena was an amazing human and we were lucky to have known her and called her a friend. Sending love and condolences to you all. We will be celebrating her life alongside you. Love, Amy & MB

“ *From the moment she walked into my life, I knew she was a powerhouse. Never had I met someone so confident but so kind. She was your friend before you knew it and she was your friend for life. I miss her so.*
