“ *My mom was an awesome person and mom. She always did everything she could to give us everything we wanted. She always made friends with everyone she met. When it came time for you to be taken care of Dianne and I did our best to give you everything you wanted and deserved all those years. I was so proud to have had the chance to take care of you. You brought me so much joy and happiness! I no that you will never feel anymore pain and sadness. You are going to have the chance to sing, dance and rejoyce. I know that Jesus and all the family was waiting with open arms to welcome you home. Heaven is very lucky to have angels such as yourself, Uncle Cecil, Peggie and Grandma Tonnie. Well between you and Grandma Tonnie I have 2 guardian angels. HOW AWESOME IS THAT. I know that Jesus, you and the rest of the family well be waiting for me with open arms. Now go and sing, dance and rejoyce as much as you can. Until the day comes for me to come home I will wait! I live and miss you so much!*
