“ Sandy, I never got to meet your mother but from all the face book messages, I felt like we knew each other. She was a very special person in your life and one thing for sure God told her its time for me to take care of you, Sandy done her job. My heart and prayers, go out to you and the family and you will have so much fun looking back all the good times you had with her and of course some sad times. God give you little more time with her to show the Love she was going to leave behind. God bless you all.

“ Sandra,

As a young Jockell, there was never a fonder memory than when I spent time over at my grandpa Jauch's. Evie was always happy to spend time with me, and I have several very fond memories of her in my childhood. I always found her enchanting and remember looking forward to my visits, so that I could spend time with her. I am so sorry to hear that she's left this earth, but smile with tears in my eyes as I know she's gone to meet with the Lord and is no longer suffering. My sincerest sympathies to you and the rest of your family. Much love, and godspeed.

“ Sandy, my heart goes out to you and your family. Your Momma was a very special woman as you already know. She was a living example of a Godly woman. Her little body is whole again and she is walking the streets of Heaven with your sister and the rest of your family. I know that you are heartbroken but hold you head high and know that you did everything that you could to keep your Momma comfortable and happy. Love you Girl!

“ Our Heavenly Father knows the pain one feels from the loss of a love one. He did not purpose his human family to die but to live and enjoy life forever. This is still his purpose (Psalms 37:29). He calls death an enemy that will be removed forever along with all pain and suffering__ 1 Corinthians 15:26;Revelation 21:4 "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore." He has appointed Jesus to awaken all those in the memorial tombs from asleep in death__ John 5:28, 29 "all those in the memorial tombs will hear his voice and come out." Allow these words to keep comforting all of you.

“ We will miss our sweet Evelyn. She was always ready with a smile and upbeat attitude lifting everyone's spirits. I'm sure she is having fun with all her relatives in her brand new and disease free body. Somehow, I think Jesus has a huge smile on his face, now that His Child Evelyn is "home".
Our love and prayers for all the family.
