“ *In the 1970s and early 1980s I worked with your mom at Buford General. She was one special lady and I loved her dearly. My prayers go out to your family and I pray that your precious memories of your Mom will give you comfort. She is painless now and I'm sure she's enjoying reuniting with so many of her friends.*

“ Billy and Phyllis, I'm so sorry for your loss. But I know she's not being held prisoner in that body anymore, Ms. Fannie is Free. I bet she's walking around talking to everyone who's gone before her making them laugh. "Oh how she could bring a smile to your face, she will truly be missed. One thing that really helped us to get through it is our Faith in God and the fact that mama is free. God Bless you.
