“ Dear Mrs Presley and Family,  
We are sorry to hear of the passing of Rev Presley. He and Rev Willis Watkins were in revival @Holly Springs the night I was saved. He also married Kenny and I 8 years later in 1978. We shared 45 years this year. We have often thought about you all and wondered how you both were.  
Fond memories of your precious family from years gone by.  
Prayers, Love and Hugs for all especially in the days, weeks, and months ahead.

“ It is difficult to share only one memory of Farrell Presley as we have been neighbors and friends for over 50 years. He lived by example, and we witnessed this everyday as he quietly helped his neighbors, friends and members of the churches he pastored over the years.

*Farrell Presley was with us during all of life's ups and downs... at the hospital for every medical procedure, at the door with our mail when we were out of town, and giving up his time after working all day to teach me about Job as I struggled with a religious education class. I could go on and on with the memories we have of this man and each memory would continue to show the beauty of his soul. Farrell Presley will be sorely missed.*

*Our prayers and deepest sympathy is with the Presley family.*
