“ Mrs. Holman was my bus driver in the 1980's. She was one of my favorite drivers. Living out in the country being bused to School back then you were on the buses for long periods of time. You spent a lot of time with your driver. She always greeted me with a smile and have a good day or good morning , remembered each child's name, and always made sure the bus was a safe place to ride. I'm very sorry for your loss and may God bless you and your family at this time. Amy Parks Fulmer
