“ *I was very saddened to hear of Mrs Miles passing. She had a true gift for teaching and working with children. Many people have fancy degrees that will never measure up to the gift God gave Faye Miles. She was a wonderful part of my childhood, and I am a better person for having known her. My prayers are with the family! May God bless and give you peace!*

“ Amy,  
I am so so sorry about Ms. Faye. She was so special to me and my family.  
She'll always be remembered as the best daycare keeper ever.  
I've never know anyone with the love of her job working with all those kids as she did.  
She was such a help with me and my grandkids.  
Sure will miss her.  
Thinking of you and your family during this time.

“ To Donita and family-  
It has been many years since our families have been in touch, but there is one thing that doesn't change over time, and that is love. Your mom shared her love with countless people, and her love changed lives. One of the people she touched was my mother. Working with Faye was one of the happiest times in her life. She always speaks of Faye with great fondness. Please know we are sending prayers of comfort and peace to all of you.

“ Faye welcomed Jamie into her family with open arms as well as all of the Tanners. She was as hardworking as she was loving and kind. I feel we were all better for knowing her. I am so sorry for your loss for she surely will be missed. However, we know where she went and one day we will follow all to be reunited again. Praise the Lord.

“ Miss Faye gave me my first job! At the age of 14, she hired me to care for kids that were taller than me. LOL! She told me she had faith I could stand my ground with them. I tried and failed sometimes, but she acted like she never noticed. Children were her specialty and they loved her as well. She will be missed!

“ Our family was blessed to have Ms. Faye in our lives. Our son, who is now 31 years old attended her preschool and got a great start for his school years. The love and concern she showed each student and parent was felt from the first time you met her! She reminded me of Mary Poppins! She would honor each child at their birthday by sprinkling glitter on top of their heads saying each birthday God gives them more abilities to do things. I always remembered that over the years. Her hair must have been filled with glitter---because she could do anything!!!!!! We all loved her! May God bless you all!
