“ *Miss you my little brother-in-law. First met you in 1979. Was amazed you could eat 2 big Macs and 2 large fries in one meal! Thank you for trying my first Thanksgiving 1980 when as a good brother-in-law you tried my turkey that turned out to still be frozen. RIP. You will always be in my mind and heart. Though not close family as life takes turns...still family!*
