“ Hello, my name is Raquel Wright, and I'm writing you to give my condolences to your friends for the loss of your loved one. Death is sadly a hurtful experience through. However, God gives us comfort that he will keep our loved ones on some comforting information about the subject of the resurrection entitled *Can the Dead Really Live Again?* I hope you will find some comfort in reading it and please feel free to give them comfort as well. Please believe that our Almighty God keeps to his promises. (Isaiah 43:11; 1 Kings 8:56)

My condolences,

Can the Dead Really Live Again?

Would you say . . . yes? no? maybe?

WHAT THE BIBLE SAYS:

"There is going to be a resurrection."-Acts 24:15.

WHAT THAT CAN MEAN FOR YOU

Comfort when loved ones die.-2 Corinthians 1:3, 4. Freedom from a man's sin.-Hebrews 2:15.

A real hope of being reunited with your dead loved ones.-John 5:28, 29

CAN WE REALLY BELIEVE WHAT THE BIBLE SAYS?

Yes, for at least three reasons:

God is the Creator of life. The Bible calls Jehovah God "the source of life" (Job 12:25) The One who gave life to all living creatures is certainly capable of giving life to those who have died.

God has resurrected humans in the past. The Bible reports eight instances of men, male, and female-who were brought back to life on earth. Some had been dead but one had been in a tomb for four days!-John 11:39-44.

God is eager to do it again. Jehovah hates death; he views it as an enemy and has a longing to conquer that enemy, to undo death by means of the resurrection, bringing back those who are in his memory and to see them live on earth.

TO THINK ABOUT:

Why do we grow old and die?

The Bible answers that question at GENESIS 3:17-19 and ROMANS 5
