“ *Sally was one of a kind. She was entertaining and wherever she was, there was always excitement. - Not always the excitement you might expect - like the time - at a wedding where the bride's dress caught fire when she backed into the candelabras. But you could always tell when she had been somewhere. A few more like Sally might make the world a better place.*

“ *Sallie*
I am truly sorry for your loss. I too know the pain of living far away when a loved one passes. I only met your mother twice, but she was sweet. I was blessed to spend a Thanksgiving with her and the rest of your family. A great memory indeed. She will be loved and missed by all who knew her.
