“ *If this is the Floyd Latham I knew as a kid, we would ride horses together on the Kennedy Ranch, in Long Valley, CA. His brothers would occasionally visit also with their mother and grandmother Ethel visiting my father (Jack) John D. Kennedy. My grandmother Mary L. Kennedy also resided at the Kennedy Ranch.*

I just found out!—Floyd and his brother, Tom were fast friends with me as kids. We lived across the street from each other on Harkness ave in Napa ca—signed John Weesner.

“ *My sincere condolences to the family of Floyd Lathum. It was a pleasure working with Floyd at Miramar in the early 90's. That was because of his good nature, positive attitude and dedication to the job. May he rest in peace and God bless his soul.*

Does anyone know how to get in touch with Floyd's brother, Tom?

“ While I only knew Floyd for a couple of years, he became a true, fast friend. We hung out on Sundays after he had visited Kim. I could always count on him to provide a bright spot in my day. All of us who knew him will feel his loss deeply. I consider myself truly blessed to have called him my friend. RIP Floyd.

“ Our deepest Sympathies to Floyds Family at this time. It is with profound shock for the many of Floyds Fire Fighting Family as we were unaware he was so sick. Many of us did not know he was in Ga. The expressions I'm receiving from many are utter shock. Floyd was a solid dedicated friend within the Fed. Fire Family. He will be sorely missed but fondly remembered.

“ I worked with "Floydy" for many years at NAS Miramar. We sat together for long hrs. at the "40" and the "50" I always looked up to him as he seemed to always be so happy. His laugh was infectious and always gave me great advice. I can't write anything serious cause I know Floydy would of completely blown me up for it.
