“ *I am so sorry for your loss. May God comfort your mourning hearts. I pray that you find comfort in Revelation 21:3-5. This scripture paints a picture of a world that is very different from what we see today. A world with no more sickness, pain or death...and it is not a dream, it is a promise from God. He promises to reverse the effects of death and resurrect your precious one. You will never have to say a painful goodbye ever again!*

“ My condolences to the Hay family and friends. It is a painful thing to lose a precious love one in death. Even Jesus wept when Lazarus died (John 11:35) and it pains our Creator, too. Our loving Heavenly Father did not purpose his human family to grow old and die but purpose us to live and enjoy life. It is still his purpose (Psalms 37:11, 29). He calls death an enemy that will be removed forever__ (1 Corinthians 15:26 "The last enemy, death, is to be brought to nothing"; Isaiah 25:8). He promised to awaken our love ones in the memorial tombs from asleep in death__ Hosea 13:14 "From the power of the Grave I will redeem them; From death I will recover them." then he will reverse the aging process__ Job 33:24,25 "Let his flesh become fresher than in youth; Let him return to the days of his youthful vigor." What a delight it will be to see them again to enjoy life as our Creator purposed! Allow these words to keep comforting all of you.
