“ Ms. Fran took me in and accepted the role of being my 'adoptive' grandmother. She has and will continue to be an inspiration to me showing my how to be a strong christian woman. She cares for everyone and never met a stranger. My heart is sadden because, selfishly, I will miss her here on earth. But my soul is happy because I know she is with Jesus in Heaven today dancing and singing with that angelic voice she has. She loved singing with her church group. Now, she's singing with the Angels. I feel very blessed to have known and learned so much from Ms. Fran.
