“ *Sending my deepest sympathy for the Gober family. Ms. Gober was my bus driver in elementary school. She was the most kindest person I knew. I remember when I started school she stopped at my house and I asked her if this was my bus. She was so kind to me and assured me that it was my bus on the bus.*

“ *Our Deepest Condolences to the Gober Family. Ms. Gober was a very sweet and kind lady. She was my bust driver for a few years while at Sugar Hill Elementary. The last time I saw her was at Home Spun before Jerry passed away. She will be missed by many. Tommy and Cindy Morris*

*My first memory of Francis, my aunt my mother sister is such a sweet one. I went to stay with her while my mother delivered my brother at the hospital. Back then you didn't go home the next day, Maybe a week. And Francis showed me what would be my bedroom and had an empty drawer for my doll's clothes. I was totally in love with her then. Had many great visits for years after that initial visit. I will miss her! ❤️*
