“ My precious Granny. Thank you so, so much for loving and caring for me throughout my life.

I have had so many memories of my wonderful childhood dancing through my head for days now. Growing up with you, my grandfather, all of my aunts, uncles, great-aunts/uncles, 1st & 2nd cousins, and countless friends were always around on our great-grandparents Mays' farm on Old Peachtree Rd. We may not have had alot of "things" but we had so much love for each other... and that is all that mattered and matters.

Those were in so many ways, the best days of my life.

I love you and will miss you but I know that you are in Heaven dancing, rejoicing, singing & pain/worry-free with all of your loved ones right alongside Jesus!

Until I see you again... can I ask one request of you? Can you please have a big ole pan of your buttermilk biscuits waiting for me when I get there?

XOXOXO,

your grand-daughter Angie
