“ *My sincere condolences to Frances's family in the loss of a fine lady. She and I worked together at Scientific Atlanta for many years. As one of several group leaders in my department Frances directed the assembly of very sophisticated electronic equipment used in satellite communications systems. She was a great employee always dependable. I know she will be missed terribly. God bless you all.*

“ I feel so sad that Aunt Frances is gone from this earth, yet I'm rejoicing that she is with our Lord and eternally rejoicing herself. What can I say. She has left a very large hole in lives here. I'm so grateful that she and Debra were able to make the trip here last Spring to see Mom (Edna Howington). It meant so very much to both of us and also to my sister, Vickie. We will all miss her so very much. My love and prayers are with you all.
