“ I got to know Fran from the gym in Buford. This lady was still doing Boot Camp & spin classes at 78 years old! She was such an inspiration to everyone’s paths she crossed. She loved life & living out loud... From her big laughs all the way to her fun & eccentric socks! Even when we had different opinions and got through telling each other, we were the right one (haha) we always ended our phone calls or lunch with “I love you & talk to you later”
Love and hugs to the family. Thank you for sharing Fran with us. ❤️
I will miss her.
