“ My Aunt Fran was such a loving soul. When I was a kid, I remember dancing to The Beach Boys with her in the living room. That was when I was introduced to the “Mash Potato.” I wish I spent more time with her. She always gave the best hugs.

“ So sorry for your loss. Fran was not only my sister in law but also my friend. Fran actually took me to clay and we looked at engagement rings I showed her what I liked and she showed Chuck. She was the one who took me to get my first set of maternity clothes. We also shared the same birthday. We could always talk to each other about anything. Fran was a caring, loving, giving to others type of person. She will be missed. Sending love, hugs and many prayers to Avery and the family. I’m sure she will be with her sons and mother walking the streets of Gold. Praising God.
