“ So sorry to hear of Jerry's passing. He was a good friend. We carpoled and worked together for many years at Grand Gulf. We swapped many a sea stories over the years. I knew Jerry to be a true patriot, Christian and family man. God bless and keep your family. May His truth and peace be with you always.

“ When I was 13 I stayed in Texas city
With my sister Linda and brother in law Jerry
Jerry jr and Michael were too little for things like fishing so Jerry Ssr
took me for the fun stuff
We went to a spot in the bay and Jerry had waders but none for me
He showed me how to bait and cast and it was looking like a really
good day until the little fish started biting my legs and I stomped
around and scared the whole bay of fish.
He was really good about it and still took me fishing.
I remember him as a man that loved teaching and actually had alot
of fun with me.
Thru the years I came to admire their marriage.
They seemed to be a loving caring match made in heaven.

*Seems like just yesterday when we were at Big Moma's or Aunt
Grace's with all our Aunts, Uncles, and Cousins smelling and waiting
on the pasta sauce as it fumigated throughout the house. Oh what fun
we had. We will do it again.*
