“ *I had the pleasure of visiting with her at the ballfield during games and tournaments when I was coaching.*

She would come to see Mia play and always had a big smile on her face - even when the weather was cold and we played late into the evening after a long day at the field. Many times I would talk to her before the games or through the fence between innings for good luck :)

She was a sweet, kind and genuine person and will be dearly missed. Blake
