“ *Dear Cheryl,*

My heart was broken for you when I heard the news of Frank. I was so glad to see you both at the reunion a few years ago. I didn't know Frank really well, but we would talk from time to time at Auburn CC after high school. I always liked him so much, so friendly and fun! I was out of town the day of the service in Camillus, but remembered you in my prayers. Please know Jim and I send our sympathies to the your entire family.

I hope all the fond memories you have about him bring comfort and a smile. “ In the 1960's, I was a friend of Frank, Ken and Vincent Warren. I lived on Gillespie Avenue, until the Fall of 1970. In the early 1970's, I played ice hockey with Ken Warren on our street.

I remember going over to the Warren's house, to play with the GI Joes in their basement. All of the kids in the neighborhood looked-up to Frank, because he was tall, and in good shape.

I am sorry for your loss.

“ Dear Cheryl and Family: I am deeply saddened to learn of Frank's sudden passing. I worked with Frank at Castrol/BP for over 10 years and always enjoyed exchanging stories with Frank about our families, our golf games and the latest challenges thrown at us by BP! Frank was very proud of his family and all they had accomplished. And, I hope that the memories of his love for all of you comforts you always. I will carry many fond memories of Frank, especially his warm smile, great laugh and sense of humor, and most importantly, his friendship. May God bless Frank and your family at this very difficult time. With deepest sympathies, Bruce Firkins

“ Our thoughts and prayers are with the family. About a year ago Frank and I connected after many years and it was very special. Frank and I worked together at Acme Markets and he was a special friend. Will never forget when Frank and I went to the paint store in the 70's and he helped me pick out the new paint for my house. Also the years Melinda that Marian took care of you at your home. Frank, you will be greatly missed by family and friends.

“ I want to offer my heartfelt sympathies to all you. I worked Frank for many years and we sat next to each other for a long time. He was a wonderful person and I am thankful that I got to know him as well as I did. We talked quite a bit over the years and shared many stories about our girls. I have two daughters and we watched all of you grow up through all of our talks. He was always the proudest dad and loved his girls and his grandchildren, he shared many pictures and stories and I feel as though I know all of you. I know there is nothing that can ease the pain of losing him. The only advice I can give, having just gone through losing a parent, is that celebrating his life and holding on to the wonderful memories is the best thing to do. He is definitely up in heaven watching all of you with all the love he always had. Cheryl I know how happy he was to finally be with you and it was wonderful to see him enjoying his new life with you. We lost a wonderful man way too soon, I will miss him dearly.

“ My tribute to Frank. He was an amazing young man. It was a different time. We were about 7-9 years old when he kissed me on the cheek in Sunday school at St. Luke's. Can you believe there were adults who were upset? (Not my parents) To this day I share that terrible day in church with my students. That little girl(me) loved that little boy (Frank). And those crazy adults didn't change that. I'm sure Frank was a hero many times in his life to many people. He still is every time I tell that story to help young people know their history. I like to think he and I made a difference that day. I know he made a difference in my life so many years ago. It may have been one of those 10 moments in your life that Dr. Phil talks about. I've been a champion of social justice ever since. Thank you, Frank. Rest in peace, Frank, and I hope memories of you will help ease your family's loss.

“ Dear Cheryl~

Please know that Frank's family in the northeast are with you in spirit, and we truly wish that a trip could have been made, but varied circumstances were not in favor for us to do so. Obviously, we send our condolences to you, the girls, Vince and Kenneth.

We are all still trying to register all that has happened in such a short time frame. With the lack of insight, I can only imagine what you must be going through. Please know that Frank's family will always embrace you, because even though some of us met you only once, Frank's glow showed the happiness and excitement that you brought to his life.

We look forward to seeing you at the memorial service back here in Camillus, so that we can make sure you feel the entire reach of Frank's lifetime. Most assuredly, your husband departed this earth a very happy and fulfilled human being.

FRANK~ One of my favorite memories of you, was when I was a little girl in Homer, and you came by for a quick visit. You had just bought a chocolate brown Stingray Corvette. One question....how come I never got my ride???? It's all good though. I never forgot that car, and none of us will forget you!

God Speed Frank...you earned your right to a peaceful rest!!

“ I was so sad to learn of this. Frank and I met when we went to Sunday school together at St. Luke's when we were little kids. I have always remembered him. It was a different time, and I learned about friendship at a very early age from him that I've never forgotten. I still share that today with my students.

It's clear that he left footprints on this planet and touched many people's lives in ways he may not have known. I am so sorry for his family and for their huge loss. Thank you for the chance to post this.
