“ The Mitchell family, Louis & Erma, Darlene & Dorsey McMillian and Derrick Mitchell) send our deepest condolences. You were wonderful neighbors and lifelong friends. We loved watching your cement fountain in the front yard continually flowing, and sometimes freezing over in the Winter. It was beautiful in every season. Thank you all for your kindnesses to us through the years, and thank God for the blessed hope we have in Jesus that we will be with our loved ones again one day. We love you all dearly.

“ Frank will always be remembered--- I have known you and Frank since childhood.... Memories of you always picking figs at the Bradford Homeplace because they were "natural sugar" for Frank -- Frank digging a big hole and pushing the old barn into it---- many other memories will come to mind----- As you share the memories of his life, may you find comfort and peace. My love and prayers are with you during this difficult time.
