“ There is are never will be another dear Frankie. We lifted each other up every Saturday night following Gaiters on tv. We laughed we cried sometimes but we always told each other how much we loved each other. Living the good life now. Love you. Joann

“ Frankie you will be missed greatly by all your friends. We use to go eat together often in the evening and had many laughs together. You had such a loving spirit and each one of us will feel that spirit in the days and months ahead. God bless you.

*My Aunt Frankie was a joy to be around! She initiated fun moments which generated much laughter. We looked forward to the special dishes she cooked up! If anyone had a need, she was there to help! Thank you Aunt Frankie for all the good times and your love!!
