“ I am so sorry for your loss. May God comfort your mourning hearts. I pray that you find comfort from a scripture that tells of a beautiful hope for the future. Revelation 21:3-5 paints a picture of a world that is very different from what we see today. A world with no more sickness, pain, or death...and it is not a dream, it is a promise from God. He promises to reverse the effects of death and resurrect your precious Fred. You will never have to say a painful goodbye ever again!
