“ My deepest condolences goes out to the family for their great loss. Please find comfort from this bible verse taken from 2 Corinthians 1:3,4 Praised be the God and Father of our Lord Jesus Christ, the Father of tender mercies and the God of all comfort, 4 who comforts us in all our trials so that we may be able to comfort others in any sort of trial with the comfort that we receive from God. May Jehovah God bring peace and comfort to you all.

“ Words cannot express the emptiness we are all feeling! Freddie was a great person that put everyone else above him. We talked all the time about family and friendship. I can tell you the he loved us all as we did him. He never met a stranger and always kept is cool! My prayers are with you all during this difficult time but remember Freddie would want us to remember the smiles and laughter not the tears and sadness! Freddie you will always be my brother and I will love you forever!
