“ It is with heartfelt grievance yet with a celebratory spirit we honor the grand memories Freddy gave to us all. His was a lifetime to treasure! From meeting on the first day of school in August 1949 to graduation 12 years later in 1961, we grew up best friends as classmates from playground to team-mates in basketball to double-dating in multiple social events in high school. Those were truly "Happy Days".

Tho our times together after that period we less frequent due to geographic distances; when they did occur we never missed a beat. Our blood was true crimson as in the "Crimson Tide" for which many of those get togethers were focused.

Our hearts go out to Linda and the family in this great time of loss. Our prayers are to you and the knowledge that we will all meet again soon with Freddy in a heavenly home.

“ Our thoughts and prayers go out to the Smith Family. Freddy was a one of a kind gentleman. Thoughtful, friendly, and always had a smile. He will be missed by many, especially our family.

Our greatest memory of Freddie was when I had a stroke back in November 2020. Freddy heard about it from my Grandson, Bricen Potter, at Papa Jack's where Freddy started many of his days with friends solving all the worlds problems. Freddie called my wife, Kathleen, after leaving that morning from breakfast and offered to help with anything we needed. Kathleen told Freddy I'd be coming home in a wheelchair. That night Freddy and Michael came to the house and built a ramp for me to get in the front door of our house. Great friends do things that make them stand out and help each other is the true meaning of the "Golden Rule". We will miss you Freddy!
