“ *We met Jim through iATN first, and then in person at the iATN Maine Gatherings. Jim always impressed me at how passionate he was about the auto industry and the products he was representing, the iATN network and all the knowledge he shared, and what a kind, friendly guy he was. We'll miss you, vovojim.*

I only met Jim once a few years ago. We spent the better part of a day discussing and in that short time I could tell he was a good, honest, hard-working man with great morals. I am very sad to hear of his passing. I wish to express my most sincere condolences to his wife and family. He will be missed.

“ *I always looked forward to seeing Jim at The Willows or when the tall Blachly boys tumbled out of their car on their visits to their much shorter Byram cousins. Hugs to all!*
