

G. A. (Jerry) Kitterman

December 22, 2018

G. A. (Jerry) Kitterman, 74 of Flowery Branch, GA, will be spending Christmas with Jesus this year. He leaves behind a devastated family but not a family without Hope. We are a family that knows without any doubt that we will be together one day for all eternity. We have the promise of the Cross. But until then our faith will allow us to continue on through this temporary life - missing him so much every minute of every day.

Our Jerry was larger than life. He enjoyed life to the fullest. He loved Jesus, his family and his many nieces, nephews and loyal, dedicated friends. Jerry leaves behind his loving wife of 46 years, C.D. (Kay), and two sons, Bill (Tonya) and Larry (Brenda) waiting for the day they will be re-united. His grandchildren and great grandchildren - Zachery, Christopher (Vanessa Goff), Kaytlynn (Danny Gossett), Tyleigh (Matt Lype), Cody (Krisztina) Cory, Allison, Brandon, Grecia, Parker, Bennett, Elizabeth Grace and Harper Rose, made his life complete. He was the best Dad, Papaw, Uncle, friend, and Go-to man there was.

God allowed Jerry to live long enough to accept what Christ did for us on the Cross, and live out what it means to be the hands and feet of Jesus to others. We will all spend eternity somewhere (either Heaven or Hell). Jerry witnessed to so many because he didn't want anyone to leave this world without knowing Jesus, because Jesus is the ONLY way to Heaven. We are not promised our

next breath. The last thing Jerry ever thought when he left for that "short" motorcycle ride on the sunny afternoon of December 22, 2018, was that he would not be coming back to his beloved family.

II Corinthians 5:8

“ *It was our pleasure to meet Jerry when he and the "Bag Apple Flyers" came to Speed Week at the Bonneville salt flats to crew on our 1953 Studebaker Comp Coup. It was a good time that I remember.*

“ Jerry was a real legend. Few people can be such no BS and such a warm friend at the same time. He had the talents to match his perfectionism. I hate it that we didn't get the chance to hang-out more together in recent years. Jerry would not want his family to suffer in his passage but rather to carry his spirit with them their joyful lives into the future.

“ A few weeks ago Jerry and I talked. During the conversation I asked Jerry to forgive me for all my deeds that had brought him sorrow. He forgave me and asked if I would forgive him. We agreeded to forgive each other and to start over. His forgiveness was a great burden lifted off my heart. I will miss him and love him all my life.

“ I met Jerry through my Brother Dave Mize when I was just around 8 years old. At that time I had a nick name which was Yogi. Jerry and Dave spent countless times together at our house in Vincennes In. Jerry would always involve himself into what ever I was doing while over at our house at my young age. As I grew older he would always ask Dave how I was doing. I visited Jerry with my brother Dave, and he over years was just like a brother to me. As everyone knows, Jerry would light up a room when he walk in...his outgoing,,never met a stranger personality would always make you feel like a million dollars. Over 48 years I got to experience his friendship, his love for people, his mentoring and leadership. Yes this Man bigger than life will be missed deeply. Jerry as he always does invited us to come down this Summer to visit.. I will have to wait until I see him in heaven to visit again. Jerry you are missed, loved by everyone who knew you. It would be hard to fill your shoes for everything you have done on this earth. The Mize family aches everyday and misses you so very much. You are truely a Blessed Man. We love Jerry Kitterman... “ It is with sad hearts we have to say good-bye on this temporary earth to our friend Jerry but he reminds us there is the hope in Christ of spending eternity in a better place with him. Our lives are richer for having had him in our lives and we will miss him as he leaves a hole in our hearts. He was the kind of person who would not want us to grieve for him but to say as God will "Well Done thou good and faithful servant". Sweet Kay, our thoughts and prayers remain with you and your family. Love, Buster and Edith Puckett

“ I know that GOD already has a special place for you my friend. You were a great mentor and a friend to me. The best of Grand-pa's I knew. I saw your JOY.

I wish I could make it up this week, but with plans that I just cant change and break-away, I will not be there in person, but will be in spirit. God Speed my friend.

“ You have been one of the best friends I ever had. Always eager to help anyone out no matter who they were. You always were very pleasant and had a big smile and I've seen your wild side(very rarely though). You were someone who could be talked to about anything and get an honest and heartfelt answer. Your humor and quick wit always made me smile. You are like a candle flame that has gone out, but the remaining scent lingers in the air to remind everyone of its existence and purpose. You have been a friend to many people, spreading love, life,wisdom and encouragement to even more. Your death is a great loss and you will be missed by many, many loved ones.

“ Dear Jerry you will never be forgotten....you were the work of God because you always kept our family going the right direction...you were always my mentor and my best friend...but of course you always had time for all your family and friends. A piece of my heart is broken and till we meet again in heaven your memories will never be forgotten..we all could write a book with all the beautiful stories and how you have touched all of our lives??????
