“ *I am going to miss My Beautiful Aunt Marcelene so much. She was always spirited and together we laughed and cried a lot during our many phone visits. I know she is now at peace and no one can fill the void in my life.*

“ *I'm so very sorry for your loss. But may the words of Jesus Christ give you an added reason to hope in the resurrection as it is brought out in John 5:28,29 to where we find him speaking to us all about a promise he will keep and bring all of our dead loved ones back to life again. So may these words bring some real comfort in these tough times ahead.*
