“ We always thought a lot of Buddy. He was such a sweet and kind man, and we are glad he and Joyce had so many good years together. He was sick for so long, but is now healed and running the streets of gold. We are praying for comfort for Joyce and all of the rest of the family.

“ I am so sorry for the loss of Buddy, we did not live close (Macon) but I remember him well from the frequent visits to my mother's family.  
I wish I could be there for his funeral but I have obligations that will not allow the time to get there and back. It seems only when a family member dies do I get to see my cousins anymore. That saddens me, I truly wish I could be there to express my sorrow for Buddy's loss. Love and prayers to this family.

“ Buddy will certainly be missed by all of us. He was a kind man who loved his family and all of us inlaws! He laughed with us and at us. He especially loved Granny Shadburn and treated her like he did his own Mother. He was a true gentleman and gentle man. Prayers for Joyce, Irvin, Mike and Charlie and their families. Earth's loss is Heaven's gain. We love you Uncle Buddy!
