“ *So sorry to hear of Gayle's ill health and her passing. She always had a smile for me, her "baby cousin" and I have fond memories of her kindness. Praying for all of you as you adjust to your new normal without her in your daily lives. May The Lord God bring you comfort and peace in the days to come as you recall all the wonderful memories you have of this dear lady. Fondly, Kathy Beckham Bogardus*

“ RIP sweet Gayle. You have fought a great fight but God has plans for you in him heavenly home. I remember you so vividly as a sweet and lively little girl with the light red hair that I loved. You went on to be a loving Mother to your children who loved you so much. We all will miss you and we know that you will be looking down on us with your Mom and Dad. Thanks to you too for babysitting my kids when they were little. You and your cousin Dixie Ann came over so we could get a night out.

“ RIP sweet Gayle. You have fought a grand fight and now it is over. Rest in the arms of Jesus now and greet your parents and loved ones gone on before you. You will be missed by all who loved you. I remember you as a little girl with the lovely light red hair which you did not like. You were always so full of energy. I guess you got that from your Mom as she always was on the go and made a lot of clothes for you and the family. Love you sweetheart.

“ My dearest loved ones, George, David, Connie and families, you are all in my thoughts and prayer. My heart aches with yours. She was a dear sweet loveable person and will be missed by all, but it is not the end, we will all meet again some sweet day, but until then we will keep serving our Lord until he calls us home.

*I love you all dearly.*
