“ I went to school (St. Dunstan's Episcopal School, St. Croix, USVI) with George and he was the first guy ever to ask me to be his girlfriend! We were in 5th grade and I told him I was too young to have a boyfriend! A few years later, after a dance, he was the first person to give me a ride on a motorcycle, and a bit later, my sister and I were thinking of starting a band (which never happened) and George wanted to be the drummer. We went on to lead separate lives, but I love those memories. Good times!

He was my cousin - it was a strange relationship as he and his sisters were abandoned and my parents (George senior's sister, my mom, Ethel) took them in for several years. He was a cool guy, if a bit free-wheeling. Have not heard about him for several years.
