“ My condolences to the Fike family and friends. It is a painful thing to lose a precious love one in death, regardless of how long they have lived. Even Jesus wept when Lazarus died (John 11:35) and it pains our loving Heavenly Father, too. He did not purpose his human family to grow old and die but purpose us to live and enjoy life. It is still his purpose (Psalm 37:11, 29). He calls death an enemy that will be removed forever\_\_1 Corinthians 15:26 "the last enemy, death, is to be brought to nothing." He promised to awaken our love ones in the memorial tombs from asleep in death\_\_ Hosea 13:14 "From the power of the Grave I will redeem them; From death I will recover them." Our love one will return to youthfulness\_\_ Job 33:24, 25 "Let his flesh become fresher than in youth; Let him return to the days of his youthful vigor." Then our loving Creator will "satisfy the desire of every living thing" (Psalms 145:16). What a delight it will be to see them again to enjoy life as our Creator purposed! Allow these words to keep comforting all of you.
