

Mr. George Franklin Hubbert

May 24, 2017

On May 24, 2017, George Franklin Hubbert, 73, of Johns Creek, GA, went to be with his Lord and Savior, Jesus Christ. George was born October 3, 1943, in Winfield, AL, to Freda Smith Hubbert and Clarence Walter Hubbert who preceded him in death.

George's greatest joy was his family. He was a generous and loving husband, father and grandfather always available with wit, humor and sound advice. Freda, his devoted wife of 52 years, survives him along with his beloved son, Zachary Hubbert and beloved daughter, Natalie DeFoor, as well as his cherished grandson, Hayes DeFoor, and son-in-law, Clay DeFoor.

George dearly loved his brothers Henry and Joe who preceded him in death. He is survived by his dear sister, Alyce Hubbert and dear brother, Sam Hubbert (Cathy) and sister-in-law, Judy Hubbert. Also preceding him in death was his niece, Della Renee Hubbert. In the Hubbert family he is survived by nieces and nephews, Myra Hubbert, Joel Hubbert, Jamie Gilmer, Jordan Hubbert, Jennifer Patton, Jeff Couch, and Allyson Couch.

George loved his wife's family as his own. His mother-in-law and father-in-law, Alma and Loyd Langston preceded him in death along with brothers-in-law, Maurice, Jimmy and Glenn Langston and Dan Mann and sister-in-law, Gaynell Langston. He is survived by sisters-in-law, Frances Beasley, Carolyn Mann,

Nelda Oswalt, Myra Langston and Lurlene Langston as well as brothers-in-law, William Oswalt and Stewart Beasley. He was preceded in death by his nephews, Stewart Beasley, Jr., Tanner Smith and Daniel Goforth. In the Langston family he is survived by nieces and nephews: Candice Langston, Lisa Tucker, Amy Handley, Becky Logan, Michael Langston, Lashonne Abel, Angela Beasley, Dannie Mann, Tracie Goforth, Whitney Oswalt, and Audrey Strawbridge.

George cherished his family at the Buford Church of Christ where he worked tirelessly on the grounds maintenance and anything else he was called to do. He was always ready to help an elderly person who needed to be driven for medical treatment or assistance with home repairs. The family is very grateful for the acts of kindness and prayerful support from the church.

After graduating from Winfield City High School in 1962, George proudly served three years in the U.S. Navy aboard the U.S.S. Kitty Hawk in the South China Sea during the Vietnam War as well as 3 additional years in the U.S. Naval Reserve.

In 1966, George began working for Creative Displays in Tuscaloosa, AL. He continued working for his dear friend and mentor, Lewis Manderson, in the outdoor advertising industry for thirty years. He was a partner in Turner Outdoor Advertising, MGH Management and president of Hubbert and Associates. George was regarded by many as a tirelessly hard-working man. He took a lot of pride in accomplishing tasks that others may have thought too difficult. While living in Tuscaloosa, George's dedication extended for many years to the Alberta Church of Christ where he gladly served as a deacon.

George was a generous contributor to many causes. His favorite cause by far was the spreading of the Gospel world-wide especially in this country and South Africa. When he heard of someone in need or another worthy cause,

his quick response was, "We've got to help those people", and he would follow through by taking action. He was also a donor to the University of Alabama, and he loved the Crimson Tide.

George enjoyed working and traveling. Besides his family, two of his favorite traveling buddies were Graham Lemmon and Dennis Barbakow. He also took time off to play golf and tennis, but he was always anxious to 'get back on the job'. George often reminisced of his Winfield days with fond memories and funny stories about his friends and classmates.

George is leaving behind many good friends he worked with during his career, two of the dearest were Lewis Manderson and Jim Rousseau who were devoted to him until the very last day of his life.

A memorial service will be held at 11:00 am at the Buford Church of Christ, Buford, GA, on June 23, 2017, with Scott Harp presiding. The family will receive friends at 10:00 am.

Another memorial service will be held at 11:00 am at the Winfield Church of Christ, Winfield, AL, on June 24, 2017, with Scott Harp presiding. The family will receive friends at 10:00 am.

George was an organ donor and was especially interested in supporting Alzheimer's research. If he could, he would ask that you contact your congressman and plead for more funding for research to find a cure for Alzheimer's.

The family is especially grateful to Kelly Loula and the dedicated staff at Noble Village Memory Care, as well as Frida Palsdittir and the compassionate staff at Agape Hospice.

Instead of flowers, the family would like to suggest contributions in George's memory to any of the following organizations:

“ *Dear Zach*

I am sorry to see this. I know how much you love & admire your dad. Family is everything to you & I pray not only for you sweet friend my dearest I have ever known but for your mom & Natalie & all of you all. This is one of the saddest I have known. It may have been a decade (which I simply cannot believe) but you have always been the most dear & important soul, everyday companion & treasured friend that I have been blessed to love & be loved by. I am still always here for you. I know Lisa has the fortune now to receive the full depths of your Soul, tender & precious..pure & giving...and I am so glad. If only I was as mature & wise then as I find myself now so I could have brought you the true Love we shared & I miss with every breath. I still pray for you & wish I was wiser during our century together as the closest friends any two souls could be. I love you so much. My heart breaks for your mom... How they loved each other & their children is an amazing example for us all. Please let me be there for you whenever you find yourself in need. I love you. Baby D

In this situation I always want to say the right thing but all I can say is I love you very much and will always miss George. What a great man, he always greeted me with a smile. I know I don't get to see you all very much but I think of you often.

“Freida, Zach and Natalie, I cannot help but think back to the path we shared between our homes many years ago. Our families came and went to each other's homes as though we were one big family. Rick and I were grateful to have such friends as George and Freida. I remember him coming in in the evening from work, always smiling and glad to see his family. I could share many many stories of the closeness we felt with the Hubbert's and the fun happy times we shared. George wore many hats and was always faithful and diligent to all tasks he undertook. He will surely be missed but we look beyond our journey here on earth and know we will one day be reunited. God bless you, my second family, and know that you are in my thoughts and prayers. “ We are deeply saddened to hear about George's passing. My heart goes out to Freda, Natalie, and Zack who George devoted his love and attention to for his whole life. We were former neighbors in Spaulding Lake, and I will always remember him working so hard to better the neighborhood. When I drive down Spalding road to this day, I expect to see George in the trees pruning and cutting. He was always available with a big smile and a helping hand to anyone who needed him. His generosity and warm spirit were always readily available to make the world a better place for everyone. We will miss you George, but we know your eternal reward in heaven is waiting for you.

“ George is sorely missed. Being from Marion County of the great State of Alabama had to make him special. He had a great sense of humor and a gardener's touch second to none. The rose bushes he planted around the grounds of the Buford Church of Christ have gone into mourning over George's passing. Reese has called in the County Agent but has doubts he will have any success.

“Freida, Zach and Natalie, I cannot help but think back to the path we shared between our homes many years ago. Our families came and went to each other's homes as though we were one big family. Rick and I were grateful to have such friends as George and Freida. I remember him coming in in the evening from work, always smiling and glad to see his family. I could share many many stories of the closeness we felt with the Hubbert's and the fun happy times we shared. George wore many hats and was always faithful and diligent to all tasks he undertook. He will surely be missed but we look beyond our journey here on earth and know we will one day be reunited. God bless you, my second family, and know that you are in my thoughts and prayers. Love you all..... stacie

“ Zach & Family,

I'm so sorry to hear of your loss. From reading the beautiful tribute to your father, I know he was a man who loved, and was also loved by many. My thoughts and prayers are with you all during this difficult time.

*Love you, brother!

“ We were so sad to hear of George's passing. He was a true friend and someone who could always be counted on when help was needed. A true servant to his God. He will surely be missed by all who knew him.

“ Zach, Natalie, Freda and Hayes,
We send our deepest condolences for your loss. I know you find peace that he is no longer suffering, but I also know you miss him. We are so thankful we got to be around George on a few occasions, and remember his smile, his kindness and a true gentleman. Please know we are praying for each of you. He leaves such a wonderful legacy in all that he was, all that he accomplished, but most of all, his family he loved so much.
Love and prayers,

“ We are deeply saddened to hear about George's passing. My heart goes out to Freda, Natalie, and Zack who George devoted his love and attention to for his whole life. We were former neighbors in Spaulding Lake, and I will always remember him working so hard to better the neighborhood. When I drive down Spalding road to this day, I expect to see George in the trees pruning and cutting. He was always available with a big smile and a helping hand to anyone who needed him. His generosity and warm spirit were always readily available to make the world a better place for everyone. We will miss you George, but we know your eternal reward in heaven is waiting for you.
Love and condolences,

“ George is sorely missed. Being from Marion County of the great State of Alabama had to make him special. He had a great sense of humor and a gardener's touch second to none. The rose bushes he planted around the grounds of the Buford Church of Christ have gone into mourning over George's passing. Reese has called in the County Agent but has doubts he will have any success.

“ We are so sorry to hear about George's passing. It came as quite a surprise. We new George for 34 years and new first hand what an extremely kind man he was and one who truly enjoyed helping others. We will miss his humor and prayers before meals. Our prayers and thoughts are with the entire Hubbert family an especially Freda, Zach and Natalie. Jim & Donna Waldron

“ George was a good man who loved his family and friends. Back in the Spaulding Lake days we had many fun times. He loved old cars and his Alabama Crimson Tide. He will be missed, but; he is in a much better place. Rest In Peace George.

“ George was a great partner and friend for many years. His infectious smile and hearty laugh will always be imbedded in our minds. He taught me many things, not the least of which was not to worry too much. As he put it, "It's just another bug on the windshield of life." Motor on, George....motor on.

“ George was a warm, friendly person who was always around if you needed him. When he walked into a room and flashed that beautiful smile he could make you feel like a million bucks, My only regret is that we didn't stay closer in touch after we moved to South Carolina. Ellen and I will miss him dearly.

“Freida, Zach and Natalie, I cannot help but think back to the path we shared between our homes many years ago. Our families came and went to each other's homes as though we were one big family. Rick and I were grateful to have such friends as George and Freida. I remember him coming in in the evening from work, always smiling and glad to see his family. I could share many many stories of the closeness we felt with the Hubbert's and the fun happy times we shared. George wore many hats and was always faithful and diligent to all tasks he undertook. He will surely be missed but we look beyond our journey here on earth and know we will one day be reunited. God bless you, my second family, and know that you are in my thoughts and prayers. Love you all..... stacie

“George was a good man who loved his family and friends. Back in the Spaulding Lake days we had many fun times. He loved old cars and his Alabama Crimson Tide. He will be missed, but; he is in a much better place. Rest In Peace George.

“ George was a great partner and friend for many years. His infectious smile and hearty laugh will always be imbedded in our minds. He taught me many things, not the least of which was not to worry too much. As he put it, "It's just another bug on the windshield of life." Motor on, George....motor on.

“ We are so sad to learn of the passing of Mr. Hubbert. He and his lovely wife, Freda, have been cherished customers of ours for many years. Our deepest sympathies go out to Mrs. Hubbert and the entire family.

“ George was a warm, friendly person who was always around if you needed him. When he walked into a room and flashed that beautiful smile he could make you feel like a million bucks, My only regret is that we didn't stay closer in touch after we moved to South Carolina. Ellen and I will miss him dearly.
Sincerely

“Freida, Zach and Natalie, I cannot help but think back to the path we shared between our homes many years ago. Our families came and went to each other's homes as though we were one big family. Rick and I were grateful to have such friends as George and Freida. I remember him coming in in the evening from work, always smiling and glad to see his family. I could share many many stories of the closeness we felt with the Hubbert's and the fun happy times we shared. George wore many hats and was always faithful and diligent to all tasks he undertook. He will surely be missed but we look beyond our journey here on earth and know we will one day be reunited. God bless you, my second family, and know that you are in my thoughts and prayers. Love you all..... stacie

“Freida, Zach and Natalie, I cannot help but think back to the path we shared between our homes many years ago. Our families came and went to each other's homes as though we were one big family. Rick and I were grateful to have such friends as George and Freida. I remember him coming in in the evening from work, always smiling and glad to see his family. I could share many many stories of the closeness we felt with the Hubbert's and the fun happy times we shared. George wore many hats and was always faithful and diligent to all tasks he undertook. He will surely be missed but we look beyond our journey here on earth and know we will one day be reunited. God bless you, my second family, and know that you are in my thoughts and prayers. Love you all..... stacie

So sorry to hear about George. He was my best friend growing up and a great friend afterward. Our class of 62 will certainly miss him.
