“ *To the Family*

You have my deepest sympathy for your loss. May God provide you with comfort during this grievous time. Be assured that one day soon God will do away with death forever. 1 Corinthians 15:26.

“ *I want to give my condolences to the family and friends of Georgie.*

In times of deep sorrow God's word can provide comfort and hope.

Find comfort in Revelation 21:4-4 And he will wipe out every tear

from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away."

“ *You were like my grandfather and I love you more than words can express. Fly high on your motorcycle to heaven. May you be reconnected with loved ones and the loved ones you've left behind breath easy. You're not in pain anymore. You're free. You were one of the most beautiful souls I have ever met or been touched by. I know you would have wanted your life celebrated not your death morned. Your family is in my prayers. I will miss you.*
