“ Hello from your arthritic seniors swimming class, Sandi. I was so sorry to hear that you'd lost Gerry suddenly, particularly since he'd been doing so well lately. I'll be praying for your family as you adjust to life without him. May all of you find comfort in the fact that God is faithful to keep His promises. Be encouraged by Psalm 29:11, which says, "The Lord gives strength to His people; the Lord blesses His people with peace."

“ Gerry and I met in 1986 and were business friends from then on. He referred my first turn key job to me when I became a GC in 1994. He always took my calls, no matter how busy he was. He was the best of the best and will be missed. My sincerest condolences to his family.

Respectfully,
Mike Dominy

“ *Sandi and family. Our deepest condolences to you all. I know life will never be the same, but we have to believe that Gerry is in a place where cancer does not exist and there is no more pain. His cars will always be clean and ready for the big cruise when we all gather. May the Lord hold Gerry in the palm of his hand and guide him to eternal happiness. Love you Sandi.*

“ Gerry was the epitome of a good and Godly man. Always willing to share his knowledge, his heart and himself to all whom needed it. Gerry was a very good friend, a good husband, father and mentor to many. Always had time to share without expecting anything in return. He will be missed enormously, but rest assured he will be walking right beside Sandi and Wesley every step of the way. He will be in our hearts forever.

“ Sandi, I don't think there is enough space to tell you how sorry I am for your loss and I know for Was and the rest of the family as well. God decided that Gerry had no more to suffer and he took your best friend, husband, and just a dear person to a heavenly place. He never had a unhappy voice and such a kind person to anyone in need. He will be soooo missed and we will never forget him. Love and prayers to you and the family and my phone is just a call away. Rest in Peace Gerry and Love you Sandi
