“ To my extended family I send many hugs, kisses, much love and personal condolences as the earthly circle in our family and friendship have been broken. The one full of love, happiness, care and concern for others has joined another circle of love ones. Known to us as the DIVA, a Dreamer, Idealistic, Visionary, and Adventurous, afforded us many opportunities to enjoy the gift of love, laughter, and fellowship. As we celebrate the life of Gerri we give thanks to our loving God for placing her among us. May the love joy and peace of God reign deeply within Naja, Zoya, grand children, great grands, Mother, Mary, Catherine, Maxine, Gloria, Joan and Darlene. LOVE y'all much!

“ My sincere condolences to the family. At John 11:11, the Bible likens death to a peaceful sleep.? I truly hope that scripture can provide some peace at this time.
