I sung and recorded a simple lyric for your grandmother listening to your granddaddy singing at the Ryman. My sympathy goes to you and your family for the passing of Mrs. Geraldine. I felt y'all's love from that one line you told me to write and look up the last name of sosebee... Although I never met her a honor of a statue of memorable music happens only few times in a lifetime. Thank you for the light of that lyrical memory I hope to put out one day to honor your grandmother for many years to come.
