Gina K. Brockman went home to Christ on August 12, 2025. Gina was the daughter of Mildred Johnson and William Swep Brockman of Macon, GA. She attended J. Elsworth Hall Elementary School and graduated from Cross Keys Christian Academy and studied at Macon Technical College. She was a member of St. James and St. Francis Episcopal Churches in Macon. Gina was employed for many years by SunTrust Bank, in the fraudulent checks department and later retired as the Executive Assistant to the Treasurer of the Georgia Farm Bureau.

Gina embraced life at every turn, serving other people, particularly women recovering from life traumas. Her honesty, quick wit and love for others is her legacy to all who were fortunate to have been included in her journey.

Her last years were spent living with and enjoying her friendship with Cheryl and Raymond Kelley, and their baby dog, Elvis. Gina is survived by her siblings, Marsha C. Brockman, William Robert (Susanne) Brockman, all of Macon and Richard Lee Brockman of Cleveland, TN.

“Gina and I go back to our working days at SunTrust, we had some good times. I remember Gina was the life of the workplace her witt. She would play tricks on people and always get away with it. I am truly honored to call her my friend. Rest in peace till we meet again my sweet friend.

“Gina & I attended the same public elementary school. We had fun on the school playground at recess time the first three years. I left the public school to go to a private Christian school in the fourth grade. But I returned to the public elementary school in the fifth grade. Gina had a boyfriend who gave her a small dead Octopus in a jar. Gina thought that was cool! The first two months of the sixth grade Gina left the public school to go to a private Christian school then she returned to the public elementary school to finish the sixth grade. While in the sixth grade, Gina & I got in trouble in P.E. Coach Collins claimed we didn't do what he said to do so we had to walk back & forth from one end to the other end of the field up on the hill. We spent most of P.E. time that day walking & talking. Gina & I graduated from the public elementary school in the 7th grade. In the 8th Grade, Gina went to the public high school & I went back to the private Christian school. In the 9th Grade Gina came back to the private Christian school because her mother said she had a bad attitude & wanted her sister to watch over her. We both graduated from the private Christian school.

Thanks for your friendship, Gina!
