“ I was one of Mrs. Roling's students at RD Haad back in the 90's. I came across an unrelated news article about RD Head and it mentioned Mrs. Rolins, so I Googled her and unfortunately found this.

“ I had the pleasure of working with Glen-Dora for many years. She kept our team grounded. She was not just a colleague, but a dear friend. I remember she had many students return to Head Elementary to tell her how she had positively influenced their life. She will be missed, but she will always be held in the highest esteem by her students, friends, family, and her colleagues.
