“ *My condolences goes out to his wife and family. Words cant describe how i feel right now so i know it must be hard for his wife and family. Glen was truly one of a kind, he knew how to always make someone laugh or mad(lol) but he genuinely cared about people, when he said you was his friend he meant it and was there for you no matter what. It feel like a dream I still cant believe he not here anymore he will for ever be missed and loved.The world is missing a funny,loving,caring person. I miss you buddy and glad you are at peace.I want to say thank you for the time and memories we had you will all be on my mind and heart and may you be at peace. Thanks Glen for everything you was truly a friend.*

“ Annette,
Rick and I were so sorry to hear of the passing of our numismatic friend. Our hearts go out to you and the rest of your family, which although we do not know them, it was apparent of Glen's love for the children and especially the grandchildren. Glen loved life and we always enjoyed his company at Coun Club and to be with both if you at he same table for many years at the Christmas party. He was a wonderful leader in our club and will be greatly missed. We will keep your family in our prayers. Susan Cremering
