“ Glenn was a good man and a good friend to me and many others. I have known Glenn for practically all my life. We went to church together and all 12 grades in school. My sincere condolences to his family. May the Lord give you strength and comfort during this sad time. I will miss you, my friend. May you forever rest in peace.

Ran into Glenn a few weeks back at an Estate Sale in Harbins area. He seemed as chipper and talkative as ever. We swapped tales and left him in good stead. I remember him from school as quiet and reserved. Rest in peace and yes we both ate a lot of sawdust in our time. You served others as being a GOOD example !

Glenn was one of those quiet and friendly guys that you immediately liked. Loved talking woodworking stuff with him. I will be praying for the family and may God give you peace and comfort as you travel this road.
