“ *Linda Moore and family*
We'd like the tears of those who grieved, to be dried in the sun of happy memories. For the tide recedes but leaves behind bright seashells on the sand. The sun goes down, but gentle warmth still lingers on the land. The music stops, and yet it echoes on in sweet refrains. For every joy that passes, something beautiful remains may the glow of peace settle gently on each heart.

May we send greeting to you and your family from those of Iredell County, NC during this time of your loss. Very much apart of our life and we lift Glenn up in his travel home.
