“ *I mainly hung out with Glenna in the seventh grade & some in High School. I just remember spending the night with a bunch of girls at her house. She made us all the yummiest sandwiches. The boys came creeping around outside. The carefree days. I was very happy to connect back up with her recently on FaceBook. RIP Glenna. Suzanne has joined you now. Much Love, Trisha (Monroe) Campbell*

“ *I met Glenna for the first time in 2013 when I started working at Global Industrial. She was the first lead I ever had in inbound sales, and was always eager to help me or anyone whenever needed. I will always remember her dry sense of humor and the jokes we shared while we worked together, and I am sure anyone who was on her team will remember the amazing banana bread she would make and share with us. My prayers are with her family and friends and anyone who is affected by this loss.*

“ *Glenna was an exceptionally competent employee at Bell South. She was so very well respected for her knowledge, work ethic, and commitment to the jobs at hand. When she said she would handle something you could consider it done.*

I hope she had some great years in retirement. Just sorry she is no longer with us.

“ *Glenna was such an easy going spirit. I called her the "WIZARD". She was so helpful in training me when I started working at Global Industrial. My deepest condolences to her family and to the Global family. She will be missed.*
